Click on a tool for visit the website.

Opening tool
Smartphone, tablet

2,19 €

Terminal opening
tool, plastic

0,71 €

Professional fine
point tweezers, ST-10

3,17 €

Step 1 - Back cover

Before starting make sure the tablet is turned off.

Remove the back cover with the plastic opening tool, this will avoid damaging or scratching the equipment.

Step 2 - Battery

Remove the adhesive covering the connector.

Disconnect the battery.

Step 3

Peel off the battery from below it.

Do not bend or deform it as it could damage it.
