Porque Yo Lo Reparo

## Step by step tutorial: of Wiko View Battery

For this tutorial you will need the following spared parts and tools that you cant get at our online store [Impextrom.com](http://Impextrom.com)  
Click on a tool for visit the website.

### Step 1 - Remove back cover

We start by removing the back cover. To do this, we introduce an opening tool between it and the frame. Making leverage movements, we will manage to release it.

## Step 2 - Battery

Now, we simply remove the battery by levering it to disengage it.
