7,60 €

Opening tool Smartphone, tablet

2,19 €

Set of professional tools for opening smartphones and tablets

18,97 €

PREMIUM screwdriver with 24 magnetic replacement bits

10,41 €

Step 1 - Remove back cover

We start by removing the SIM / SD tray. Then we will leverage the entire contour, with a flat tool, to separate the chassis housing.

Step 2 - Auxiliary plate with charging connector

Disconnect the components of the auxiliary plate, remove the two Phillips screws (PH # 00) and detach it from the chassis.
